Dear President

The International Commission of Jurists (Australian Section) congratulates the Commission on the production and launch of the position paper on 7 March 2023 (which I was privileged to attend).

We strongly support the passage of a human rights Act for Australia and look forward to engaging in the Commission's next steps in the Free & Equal conversation.

If there is any particular action that you consider the ICJ(AS) might take to further this initiative, please let us know.

Yours faithfully

Nicholas Cowdery AO KC FAAL
